Scheduling of Briefs

To the Parties:

On July 15, 2004, during the hearings held in the above-referenced docket, the schedule for briefs was set for two weeks from the receipt of the transcript, with reply briefs due one week thereafter. While the transcripts were received by some parties on August 19, 2004, they were generally available to the service list on August 20, 2004. Accordingly, briefs are due September 3, 2004, and reply briefs are due on September 10, 2004.

Very truly yours,

Debra A. Howland
Executive Director and Secretary
